Santa Ana, CA | (818) 736-7744 | djkcasper@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

HR Generalist with 5+ years of experience owning end-to-end payroll operations and administering health, welfare, and retirement programs for 750+ employees. Skilled in ADP Workforce Now, Workday HCM, and Greenhouse, with expertise in multi-jurisdictional tax compliance and federal and state regulations including FLSA, ACA, ERISA, and COBRA. Proven track record of streamlining HR and payroll processes through data-driven improvements, with demonstrated results in benefits accuracy, processing efficiency, and open enrollment management. Bilingual in Korean and English.

EDUCATION

University of California, Berkeley — Bachelor of Science, Environmental Economics and Policy

CERTIFICATIONS

- Professional in Human Resources (PHR): HR Certification Institute (HRCI) — Certification ID: 800368209PHR

WORK EXPERIENCE

Nongshim America, Inc. | HR Generalist

Oct 2024 – Present

- Serve as primary HR point of contact for 750+ employees, managing 25+ employee relations cases monthly, including approximately 10 subpoena cases, ensuring timely resolution in compliance with federal and California state law
- Onboarded avg. 9 new hires per month, reducing onboarding time from 8 to 3 hours; implemented a 30-60-90 day program that reduced turnover from 34% to 12% and drove a 54% increase in job satisfaction per Lattice pulse surveys
- Processed end-to-end payroll for 760 employees across 15 pay groups and 5 departments, managing garnishments, deductions, supplemental payments, and multi-jurisdictional tax compliance while maintaining zero compliance violations with FLSA, ACA, ERISA, and COBRA
- Administered health and welfare programs including medical, dental, vision, 401(k), and Roth IRA; led annual open enrollment via 4 info sessions and 3 town halls, achieving 100% enrollment completion for 750+ employees
- Developed 15+ standardized SOPs covering all aspects of HR operations including timekeeping, benefits administration, incident reporting, and payroll processes, driving a 25% productivity gain, 15% improvement in benefits accuracy, and 40% reduction in process time across the organization
- Leveraged HRIS data and advanced reporting tools to produce 10+ monthly ad hoc HR reports including headcount summaries, compensation analyses, and payroll variance reports across 750+ employee data sets, delivering actionable workforce insights to senior leadership to support strategic decision making
- Administered monthly stock option compensation for 27 employees in partnership with Morgan Stanley, processing equity as supplemental earnings in ADP Workforce Now; managed annual bonus payroll for 750+ employees, maintaining a 95% payroll accuracy rate across all compensation programs

Epitome | L&D / Payroll Specialist

Aug 2020 – May 2024

- Served as sole payroll administrator for two California locations, managing biweekly payroll, new hire ADP setup including direct deposit, tax withholding, benefits deductions, and year-end W-2 filings
- Led full migration from manual paper checks to ADP Workforce Now, cutting processing time by 80% from five days to one day and significantly improving accuracy and compliance
- Trained 3 HR staff members on ADP Workforce Now post-implementation, ensuring seamless adoption across the organization
- Conducted quarterly payroll audits across a \$500K labor budget, ensuring California wage and hour compliance and proactively identifying and correcting discrepancies
- Identified a 32% compensation equity gap and partnered with leadership to develop and execute a three-year pay correction plan, improving pay equity across the organization
- Onboarded 40+ employees over 4 years as sole HR administrator, configuring direct deposit, tax withholding, and benefits deductions in ADP Workforce Now, achieving 100% day-one payroll accuracy and full compliance with California new hire reporting requirements
